- Pull out bottom shelf for easy loading
- Cast steel main components for long life and solid reliability
- 2 Year guarantee as standard
- Revolutions from 180rpm to 380rpm
- CE & UL ready

OPERATION

New simple control Logic - same across all Merris products. Strong, reliable quality.

User friendly controls, push button with screen for clear operational information and diagnostics.

Built for heavy duty applications and to run constantly for years.

Unit built around box iron frame for solid stable operations with maximum weights and will not move around. Very smooth and quiet operationally.
